

# 2015 Schooler Nolan Horse Heaven Hills Red Wine

Winemaker's Notes: Petit Verdot as a variety tends to have big tannins and high acid, which creates a big, powerful wine. Taming those acids and tannins with Merlot has resulted in a gorgeously balanced wine. Smooth caramel and sweet vanilla blend with dark blackberry on the nose. The lush fruit is framed with structured tannins that lead into a dusty, velvety finish. This powerhouse of a wine can be enjoyed now, or safely cellared for years to come. The Petit Verdot in this wine comes from Milt's Vineyard and the Merlot is grown in the Zephyr Ridge Vineyard.

Both in the Horse Heaven Hills.
